### CONDITIONS OF STUD SERVICE

1. Our stud services are offered with fresh chilled semen which can be delivered overnight to the bitch's vet for AI. All collection, certification and delivery will be handled by ICSB (International Canine Semen Bank). Included in that service will be a sperm count and motility test to assure viability.
2. Stud fees  
 \$2,200 - fresh chilled (2 collections to bracket inseminations) or puppy pick.
3. Bitch owner pays for ICSB's collection/delivery fee, approximately \$160 per collection of fresh chilled (generally requires 2 collections).
4. One live pup will constitute a litter. If no litter is produced from this breeding, we will offer one repeat breeding to the same bitch at no additional stud service fee. Bitch owner will be responsible for repeat collection and shipment fees.
5. The bitch owner pay all costs associated with AI and all other reproductive services. We strongly recommend that bitch owners utilize the services of a qualified vet trained in AI. It is strongly suggested that bitch owners have progesterone tests performed on their dog to help determine the best time for insemination.
6. Sierra Vista Labradoodles assumes no responsibility for injury, illness or death associated with AI.
7. We require a health certificate, a copy of the most recent CERF certificate or PRA-DNA certificate and OFA or PennHip score for the bitch prior to shipment of semen.
8. If pick puppy is chosen in lieu of stud fee, we reserve the right to pick puppy before any of the puppies are allocated. We reserve the right to sell or keep the puppy. We reserve the right to name the puppy including the use of the prefix "Sierra Vista" in the name.
9. Bitch owner will not transfer ownership of any pup resulting from this breeding to any person or organization whose intent is to resell, trade or give away the puppy or use it in laboratory experiments. If bitch owner fails to comply with this provision, he/she shall pay to the stud dog owner \$5,000.00 in liquidated damages for the harm done to the reputation of the stud dog, the stud dog owner and the breed in general.
